

COMPANY PRESENTATION

About US

We would like to introduce our company **National Crane Services**

Our company is active on the fields of crane services, road assistance, special transportations and several other types of lifting services and supporting gear.

We provide all type of Mobile cranes, Flatbed/Lowbed trailer trucks, forklifts, manlifts ,scissorlifts for our respectful customers on a 24-hour basis throughout the year.

We undertake special transportations of heavy vehicles, special - oversized cargos, Dangerous (DG) & Hazardous material as well as Military Equipment and Ammo movements with our specialized available fleet and experienced/qualified drivers.

We provide all types of vehicles for your requests, always guided by the responsibility of every safety measure. All vehicles & drivers are complying with the Greek laws & regulations, and holding the necessary certifications needed to perform services.

Company is ISO Certified (9001:2015)

We are experienced in supporting Military & Commercial projects in the past, local & international road movements, Industrial Construction, Renewable Energy Sources installation, Port & Airport Operations all over Greece, for military ships & aircrafts.

Furthermore, we are able to supply supporting equipment for vessels' port visits (at sea & land)

Our 20-years' experience is a key factor for a successful operation.
